TRA Docket No. 99-00909

Dear Chairman Malone:

Please be advised that this office represents the International Brotherhood of Electrical Workers Union ("IBEW"), Local 1288. Our client wishes to intervene in the Tennessee Regulatory Authority's proceedings regarding the above matter.

The IBEW is a labor organization representing the non-management employees of Memphis Light Gas and Water ("MLG&W"). As such, our client has an interest in the outcome of these proceedings. We intend to file a formal petition forthwith.

Please notify the undersigned of any hearings set or any other actions taken with respect thereto. We intend to be present at any hearings, but at this time do not anticipate presenting any witnesses. However, we respectfully request the right to do so, if it is felt that this is necessary.

We do not intend to delay this matter. We merely want the concerns of our client and its members considered. Thank you for your cooperation.
